1	Project Definition and Planning																																									
1.1	Define Scope and project goals	All	9/26/22	9/29/22	4	100%					П																															
1.1.1	Communication Plan	All	9/30/22	10/4/22	3	100%																																				
1.2	Project Proposal	All	10/5/22	10/7/22	3	100%																																				
2	Analysis and Design																																									
2.1	Define requirements	All	10/10/22	10/13/22	4	80%																																				
2.2	Create Design Diagrams	All	10/14/22	10/18/22	3	80%																																				
2.3	Analysis on all created diagrams	All	10/19/22	10/21/22	3	100%																																				
2.4	Application Design and Prototype	Astha	10/20/22	10/21/22	2	100%																																				
3	Development																																									
3.1	Develop software modules	All	10/24/22	12/10/22	5	100%																																				
3.2	Integrate software modules	All	10/31/22	12/10/22	5	100%																				ш																
3.2.1	Developmental testing	All	11/7/22	12/10/22	3	100%																																				
3.2.2	Finish software development	All	11/10/22	12/10/22	2	100%																																				
3-3	Software module documentation	All	10/24/22	12/10/22	18	100%																																		Ш	Ш	
4	Testing																																									
4.1	Perform software testing	Olubunmi, Onamudiana	11/14/22	12/10/22	5	100%																																				
4.2	Bug fixes	Zhen, Astha	11/14/22	12/10/22	5	100%	П				П																													\Box		
4-3	Finish Testing (Cover user testing, quality testing and performance testing)	Olubunmi, Onamudiana	11/21/22	12/10/22	2	100%																																				
4-4	Update the software module documentation	All	11/23/22	12/10/22	3	100%																																				
5	Deployment																																									
5.1	Software maintenance	Zhen	11/28/22	12/100/22	3	50%																																				
5.2	Review on software module documentation	Astha	11/30/22	12/10/22	2	100%																																				
5-3	Retrospective meeting and evaluation	All	12/1/22	12/10/22	2	30%
